## Licenseless Fishers Net Jail, Fines

Fishing without a license in inland and ocean waters of Southern California and the Inyo-Mono area was the leading violation of fish and game law during the month of August, the Department of Fish and Game reports.

Some 281 citations were issued for this offense, well over half the total citations for August.

It marked the seventh consecutive month that angling without a license topped all fish and game law violations.

DFG WARDENS cited some 519 offenders during August. They paid a total of \$12,824 assessed by the courts.

Some 41 days in jail were served by convicted lawbreakers, 26 cases were placed on probation, 12 cases were suspended, nine cases were dismissed, and two juvenile cases were handled.

ANGLING WITH more than one rod was the second leading fish and game violation, with 47 citations issued during the month. Other frequent violations, by type and number of arrests, were: no inland stamp, 45; commercial fish, 30; ocean sportfish, 18; loaded gun in car, 16; clams and shellfish, 15; inland fish other than trout, 9; trout, 8; upland game, 7; and hunting without a license, 5.

## Trotters Earn Bids To Classic

Canada's Tie Silk, recent winner of the Roosevelt International and Hambletonian champion A.C.'s Viking top a list of 11 trotters receiving invitations to Hollywood Park's \$50,000 American Classic.

Racing secretary Wesley Meyers announced the list of candidates today for the big race that will bring down the curtain on the 35-day season on Saturday, Nov. 17.

Some of the more highly considered trotters given invitations were Air Record, last year's American Classic winner; Duke Rodney, Santa Anita's "Horse of the Meeting"; the leading money winner, Su Mac Lad; the New Zealand colorbearer, Ordeal, and flashy Silver Song.

Other Classic invitations went to Elaine Rodney, Porterhouse, Pigeon Hoover, and Rodare.

## Equipment Problems Slow First Warrior Footballers

Opening a new high school inevitably creates difficulties in every department.

Athletics is no exception, and new West High football mentor William Parton finds his men are four days behind schedule because of equipment difficulties.

Despite a lack of weight and experienced gridders, Parton feels his boys are coming along fast and should be ready for their opener with Palos Verdes on Friday at 3 p.m.

PARTON believes the Sea Kings may afford West the roughest competition they will meet all year. Palos Verdes has all of its men from last year's eleven returning.

West will operate out of an unbalanced wing-T against teams from all over California and one club from Nevada.

HAMPERING the Warriors will be a line which averages 175 pounds, a backfield which steps on the scales at a 139-average for a team average of 157.

Opening for West will probably be at least two sophomores and two juniors.

ONE OF the tightest battles for a starting berth ranges at quarterback, Lindy Nuzzo and Don Crane are rated neck-and-neck for the signal calling slot. Nuzzo weighs 148 pounds and stands 6-1, but Crane is a tiny 5-6, 126 pounder.

AT LEFT halfback will be 5-6, 132 pounder, Dave Yeskin.

Russell Douglas, 5-8, 158 pounds, will move into the right half position.

Matt Lockman, 5-10, 170 pounds, and George Mount, 195 pounds, 5-10, will open at the tackles.

TWO 6-1 flankers, John Cochran and Paul Cannon, will start at end for West. Cochran hits 185 pounds on the scales while Cannon manages 165 pounds.

ENNIS BERESFORD will hold up the middle of the Warrior line at center. Beresford is a 6-0, 175 pounder.

Holding down the vital guard positions will be Ron Wood, 5-6, 160 pounds, and Rich Grossman, 5-10, 170 pounds. Marty Kehoe, 5-9, 180 pounds, and George Mount, 195 pounds, 5-10, will open at the tackles.

## Tappa Kegs, Bombers Meet In City Slo-Pitch Tourney

Two Torrance teams, the Tappa Kegs and the Bombers, will meet in the semifinals of the Los Angeles Municipal Slo-Pitch Tournament Tuesday night.

Game time will be 9 p.m. at Manchester Playground.

The Bombers, winners of the Torrance recreation title, fought their way to the semis with a 13-3 win over the San Pedro Patriots and a 4-0 decision over the Marina Club.

## TRIO LEADS FIELD ON GARDENA TRACK

Clem Proctor, Jim Cook, and Eddie Gray will head a field of 50 top drivers in this afternoon's nine-event California Jalopy Assn. program at Western Speedway.

Stock car action on the Gardena track begins at 2:30 p.m. with qualifying set for 1 p.m.

Proctor, ranked sixth in CJA points, recently won his second feature victory of the year at Western. He will drive the same Dodge in which he set the one-lap track record of 16.75 seconds or 71.641 miles per hour.

HE ALSO set the 30-lap record of 8:45.6 when he won his last main event in Gardena.

Cook, the top pilot in the point battle, will drive a Ford as he shoots for his seventh win of the season. He holds the three-lap track mark at Western.

HARD TO BEAT . . . Lloyd Lessor, 22218 Leyte Dr., Torrance, recently recorded his twelfth hole-in-one. Lessor, a University of California at Los Angeles student, is the champion of the Sierra Teenage Golf Club. Admiring Lessor's trophy is Mrs. La Mar Steward, who is active in the club's activities.
